HEY!

SEE SOMETHING CLEARER WITH 5.0MP STARLIGHT

- Sony Sensor
- TVP Starlight Technology, 0.002Lux
- S+265 compression, minimum bandwidth 2Mbps

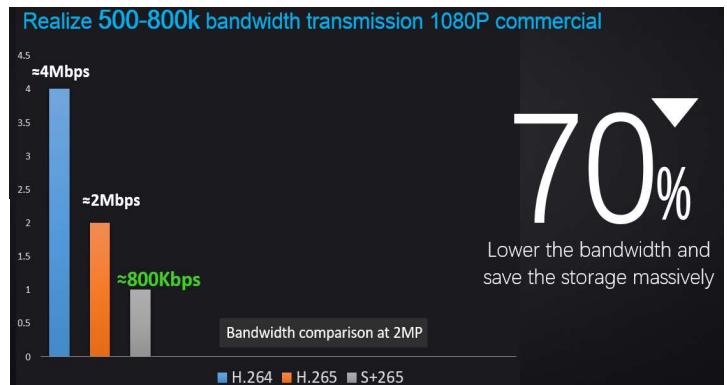

Normal 5.0MP Starlight

Tiandy 视界为世界
Vision For World

S+265 is a new generation coding technology developed by Tiandy. It saves significant storage space of HDD and so cost.

HDD Capacity to record 8ch 1080P for one month

H.264		10TB
H.265		5TB
S+265		2TB

	5CH POE NVR	10CH POE NVR	20CH POE NVR
Model Number	TC-R3105 I/B/P	TC-R3210 I/B/P	TC-R3220 I/B/P
POE Interface	4 channels	8 channels	16 channels
Compression	S+265/H.265/H.264H/H.264M/H.264B		
Plug & Play channels	4	8	16
Max. Display Resolution	1080P	4K	4K
Max. Recording Resolution	5MP	8MP	8MP
HDD (up to 10TB per HDD)	1 x SATA	2 x SATA	2 x SATA
USB port	2	2	2
